CONFIRMATION

This is to confirm that any medical laboratory or health institution listed on the website of Swissmedic, the national authorisation and supervisory authority for drugs and medical products, are approved by the Swiss Government to conduct SARS-CoV-3 nucleic acid tests.

All medical laboratories or health institutions approved are on the two list below:

- <https://www.swissmedic.ch/dam/swissmedic/en/dokumente/internetlisten/mikrobiologischelaboratorien.xlsx.download.xlsx/mikrobiologischelaboratorien.xlsx>
- https://www.swissmedic.ch/dam/swissmedic/en/dokumente/internetlisten/mikrobiologische_labor_neuem_recht.xlsx.download.xlsx/Laboratorien_neuem_Recht.xlsx

For the Consul General of Switzerland

Katia Stampfli-Ferraz
Deputy Consul General
